

Summer Camp

Bob and Pete are friends. They live in Tel Aviv and go to the same school.

Bob and Pete like to surf. They like to swim. They like to eat ice cream. They like to play computer games.

This summer Bob and Pete are going to summer camp.

At the camp, they can do ***a lot of** things.

On Mondays, the boys can swim in the big pool.

On Tuesdays, the boys can surf in the cool sea.

On Wednesdays, the boys can bake and cook. At the end of the day, they can eat ice cream. Bob likes vanilla ice cream and Pete likes oreo and chocolate ice cream.

On Thursdays, they have computer lessons. That ***sounds like** fun, they like to play games on the computer.

On Fridays, the boys can ***choose** what they want to do.

Today the boys are ***getting ready**.

They need clothes, sun cream, towels, toothbrush and toothpaste, books, a torch, caps, _____ and _____. (add two more things)

They are so ***excited**. They like summer camp.

Are you going to a summer camp this year?

Answer the questions.

1. Where do the boys live? _____
