A three-way Memory Game.

Cut the cards and place them face down in the middle of the students. Each student in turn has to turn over three cards. If the student finds three cards that match - e.g. I / me /mine, they keep the three cards and it is the next student's turn. If they don't find three cards that match, they turn the cards face down and it is the next student's turn.

Have Fun! The winner is the student with the most threesomes at the end of the game.
