### Past Simple

We are studying English.
The man cleans his car once a week.
The baby is sleeping.

Mum drove her car to work.	I ate sushi last night.	You didn't call me yesterday.	We bought a new car.	The dog slept on my bed.
----------------------------	-------------------------	-------------------------------	----------------------	--------------------------

### Present Simple

The cat drinks milk.	I don't like onions.	She cooks dinner every night.	You read books in English.	
----------------------	----------------------	-------------------------------	----------------------------	--

### Present Progressive

I am not coming to the movie.	Dad is working at the moment.	The boys are playing tennis today.		
-------------------------------	-------------------------------	------------------------------------	--	--
