The New Year

Countdown has started for the New Year

One can feel it all around and in the air.

2018 is nearly at an end,

2019 is creeping up after the weekend.

What will you do... where will you go...

Will you kiss someone under the mistletoe?

Are you going to be with a friend...

...when the old year comes to an end?

Is your family going to be around you?

Will they celebrate the New Year too?

Time for a party, time to sing a song,

The party starts soon, so don't be too long.

Do you have a New Year resolution?

Is it to stop world pollution?

Is it to get some more sleep?

or maybe to drive around the world in a jeep.

Is it to do one kind thing a day?

or maybe the piano to learn and play.

Whatever you decide, whatever you choose,

you better get on your running shoes.

2019 is coming up fast,

So let's make the most and have a BLAST!
