Game 15 - Kitchen - Domino

How to play

Deal seven cards to each player. Each player either holds the cards in his hand or places them in front of him face up.

Place the remaining cards in a pack face down.

Place one card in the middle to start play.

For example:

Ask the first player, "Do you have a fork or an oven?"

If the player has either a fork or an oven, he places the card and says, "I have a fork." It is then his turn to ask the next player.

If a player doesn't have a fork or an oven and can't put down a card he takes a card from the pack and it is the next player's turn.

The player to finish his cards first is the winner.
