The aim of the game is to review vocabulary.

You need counters and a die.

Print the following two pages.

Laminate them and join to form a board.

How to play

- Divide the group into two.
- Each team or player receives two counters. One team or player receives two blue counters and the other team or player receives two green counters.
- Place the board in the middle of the group.
- The players place their counters in their two 'Start' circles.
Each player takes a turn rolling the die.
- If a player lands on a picture of 'shorts' the player says a sentence, for example: "I am wearing shorts". Then it is the next players turn.
- If a player lands on a space which is already occupied by the opponent, the opponent has to go back to its 'Start'.
- The winner is the first team or player to go around the track and up to the 'Home' circles with both its counters.
