Game 25 - Sports - 3 Way Memory Game

How to play

Spread the cards face down in the middle of the group.

The first player turns over three cards and reads the words or names the colour. If the player turns over a threesome (for example: the word, the scrambled word and its matching picture) he/she keeps it and then has another turn to find a threesome. Then it is the next player's turn.

If the player doesn't turn over a threesome he places the cards face down and then it is next player's turn.

The player with the most threesomes is the winner.
