

Read the text and give it a title:

---

Hi, I am Sally.

I want to tell you about my classroom. My teacher likes to make the classroom very colourful.

We have three green lights hanging from the ceiling and four purple lamps on the floor. My teacher says that it's very relaxing for children not to have only white or yellow light in a room.

When we come into the room we have to take our shoes off our feet and put our shoes by the door. It is much more comfortable to work without shoes on.

Our classroom has lovely plants too. Each plant has different coloured leaves.

There are many posters on the walls and every month we change them. This month there is one poster with 50 kinds fish on it. There are two more posters with pictures of interesting countries from around the world. There is a poster with animals on it, for example: oxen, geese, sheep, deer, mice, lions, foxes, wolves, zebras, hippopotami and more.

We have red curtains, two blue doors and three pink windows. We keep the knives, forks and spoons in the blue drawer and scissors, pencils, pens, sharpeners and erasers in the brown drawer.

This may sound too colourful for you, but we love it. Maybe you could ask your teacher to decorate/paint your classroom.

\*Underline all the singular nouns in red and all the plural nouns in green

Answer the questions according to the text:

1. Who makes Sally's classroom colourful?

---

2. How many lights are there?

---

3. Where are the lamps?

---

4. What must the children take off when they enter the room?

---

5. When do the children and teacher change the posters?

---

Name:

- a. five colours
- b. five animals
- c. five school items
- d. five adjectives
- e. five nouns
- f. five verbs

Describe your classroom:
