

Halloween Edition

About

Halloween is on 31st October every year. It's a holiday in the USA and other countries, too. People wear costumes on Halloween. They dress up as witches, ghosts, or other scary things. Children go to houses in their neighbourhood. They say 'Trick or treat!' at the door. Then they get sweets or chocolate from the people who live there. Halloween has a long history. People think it started 2000 years ago in Ireland. In the past, Halloween was a day when spirits could come back to life. Today, many people like Halloween because they can have fun with their friends. They can get dressed up in different scary costumes. Some people don't like Halloween. They think it's too scary! Halloween words. For example, 'pumpkin', 'bat', 'witch', 'Jack-o'-lantern, etc. People make Jack-o'-lanterns with pumpkins. First, they take out the inside of the pumpkin. Then they cut a face into it. Finally, they put a candle inside it.
